

Studio 3 are pleased to announce the forthcoming release of the sensational **GUILTY GEAR** - exclusively on the Sony Playstation game console

Already the subject of Japanese and American critical acclaim, **GUILTY GEAR** has been hailed as the best 2-D fighting game for the Playstation.

Studio 3 punches its way into the battle-hardened arena of fighting games with the European release of **GUILTY GEAR**.

FEATURING:

- 13 playable characters - 10 standard and 3 special.
- Breathtaking character animation that moves at a high frame-rate with no sign of slowdown.
- High frame-rate keeps the action slick and the control of the characters smooth.
- Fast and furious battles with long combos made fun with a highly tuned and intuitive control system - there are literally dozens of permutations of standard, special and chaos moves.
- Common sense battle logistics that overcome the flaws found in many other fighting games.
- Balanced computer AI provides addictive solo gameplay.
- 30 Adrenaline-pumping, heavy metal sound tracks - the best in any fighting game to date.
- Dual Shock Compatibility.

...this is the fighting game that everyone has been looking for!

What others have said about **GUILTY GEAR**:

- "If you consider yourself a fighting connoisseur, Guilty Gear comes highly recommended. No true fan of the genre should be without a copy." (*PSM Online*).
- "Guilty Gear" comes highly recommended. With its excellent gameplay, surprisingly good graphics, secret characters and kick-ass aural experience, Guilty Gear is as good as it gets." (*Videogames.com*).
- "One of the best fighting games on the Playstation." (*Gaming-Age Online*).
- "This is one of the few best 2D fighters ever made." (*Anime Playstation*).
- "While Capcom and SNK's fighters are great, Guilty Gear has enough great twists and unique features to make it stand alone as one of the best if not the best 2D fighting game available for the Playstation." (*Intense Playstation Online*).
- "...Guilty Gear is a brilliant 2D fighter." (*Playstation Gamer Online*).
- "...probably the best 2D fighter ever made for the PSX, Capcom titles included" (*PSN*).
- "On a system not renowned for its 2D capabilities, Guilty Gear is impressive in its animation..." (*Gamers Republic*)

Studio 3 has over 18 years experience in the video game industry and is a leading independent European publisher and developer of console and computer games. Studio 3 is a third-party licensee for Nintendo™ and Sony™ game consoles.
